## Parent Information Night

Join us as we hear about Pre-Employment Transition Services that your young adult may participate in as (s)he prepares to leave high school.

Holly Adam, Jessica Bradley and Terri Branham, Pre-ETS providers for Rauch, Inc. will be here to discuss services that can help students in preparing for life after high school. Areas included are: resume building, financial literacy, employment preparedness, self-advocacy, college preparation and more.

This service is free to any student who is between the ages of 14-22 who has an IEP, 504 Plan or Certificate of Disability. Services are individualized to the specific student, occur during the school day and programming is also available during scheduled school breaks.

Childcare will not be provided, but you are encouraged to bring your young adult with you so (s)he can hear about these services.
