

MEMO

To: All Parents and Staff
From: Mrs. Perez-Lloyd, WCCS Superintendent
Date: June 18, 2020
REF: UPDATES

Parents and Staff,

As you know, West Clark Community Schools is in the process of separating. WCCS will become Silver Creek School Corporation and Borden Henryville School Corporation. Within the next couple of weeks, parents will receive several emails letting you know changes.

Each corporation is also working on a re-entry plan that will ensure safety of all students while maintaining high quality of instruction. The plan will adhere to the recommendations provided by CDC as well as the Indiana Department of Education and Indiana Department of Health. Our plans will also be discussed with our local health department considering that COVID-19 spread is different in each county and its impact is different in each area. Preparing to reopen schools must consider measures that address each community specific needs.

After June 30, the new School Boards will be able to approve the re-entry plan for each Corporation.

If you should have any questions, please do not hesitate to contact the Central office at: 812-246-3375

THANK YOU.
